Lynchburg

UVA, the BOV and FOIA

Just what went wrong when the Board of Visitors tried to remove the school's popular president?

When localities get sued

A review of FOIA cases brought against local public bodies and what we can learn from them.

Court filings of the future

A demonstration of Wise County's e-filing system and what it means for citizen access to the judicial system.

A Governor's email, continued

The effort to archive the electronic messages of the Kaine administration moves on.

Plus, VCOG's annual FOI awards for citizens, media and government

Featured speaker: Ken Bunting, president of the National FOI Coalition
