

Virginia:

In the Circuit Court of the City of Richmond, John Marshall Courts Building

RECUSAL ORDER

VIRGINIA INFORMATION TECHNOLOGIES AGENCY, Plaintiff

vs.

CASE NO.: CL17-5280

WILLIAM H. TURNER,

and

OFFICE OF THE EXECUTIVE SECRETARY, Defendants

The Judges of this Court having found that they were so situated with respect to this case to render it improper for them to preside, the case was previously referred to the Supreme Court of Virginia for the appointment of a judge designate to preside over the case.

I, **Westbrook J. Parker**, Judge Designate previously appointed, am also of the opinion that I am so situated in respect to the case as to render it improper for me to preside and, therefore, I recuse myself.

This case is, again, referred to the Supreme Court of Virginia for the appointment of a judge designate to preside over the case.

It is **ORDERED** that the Clerk of this Court certify a copy of this Order to the Chief Justice of the Supreme Court of Virginia and all counsel of record.
