Dear staff:

Last week David Briggman, a Rockingham County resident, submitted a Freedom of Information Act (FOIA) request for the names, job titles and annual salaries of all employees of Harrisonburg City Public Schools. Under Virginia law we are required to provide this information to anyone who files a formal request. We do not know how the released information will be used nor are we able to require that the person making the request reveal the intended use of the information.

Only those employees whose annual salary is \$10,000 or less are exempt from such a request.

We believe that it is important that you know when such requests are made and we will endeavor to keep you informed of such requests. Please note that FOIA requests are made infrequently.

Thanks,
